**Notes:**

- 1 The above financial results were reviewed by the Audit Committee of the Board and approved by the Board of Directors at their meetings held on September 12, 2017 and September 13, 2017 respectively. Further, the limited review of Financial Results for the quarter ended June 30, 2017, in terms of Regulation 33 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, has been carried out by the statutory auditors.
- 2 The Company has adopted Indian Accounting Standards ("IND-AS") effective April 1, 2017 (transition date being April 1, 2016) and accordingly, the financial results for the quarter ended June 30, 2017 have been prepared in accordance with the recognition and measurement principles laid down in the IND-AS prescribed under section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India. Ind-AS compliant financial results, pertaining to the quarter ended June 30, 2016, have not been subjected to limited review or audit. However, the management has exercised necessary due diligence to ensure that the financial results provide a true and fair view of its affairs.
- 3 Reconciliation of Profit between IND-AS and Indian GAAP for the quarter ended June 30, 2016 is as follows:

Particulars	Amount
<b>Profit/(loss) as per previous GAAP</b>	<b>(1,967)</b>
- Adjustment on effective interest rates on borrowings	(51)
- Adjustment of grant income	33
- Impact of excepted credit loss policy	(86)
- Depreciation on EPCG accounting	(11)
- Deferred tax on revaluation of land and building	33
<b>Total</b>	<b>(2,049)</b>
Other comprehensive income	-
<b>Total comprehensive income/(loss) as per IND AS</b>	<b>(2,049)</b>

- 4 During the quarter:
  - (a) the Company completed the acquisition of the entire equity shares held by the minority shareholders in its subsidiary, NewRise Healthcare Pvt. Ltd. and subsequently sold its 100% equity stake to Narayana Hrudayalaya Ltd. for an enterprise value of Rs.18,000 Lakh. The Company has incurred a loss of Rs.4,509 Lakh on such sale for which necessary provisions were already recorded in the preceding quarter ended March 31, 2017.
  - (b) the Company has entered into collaboration agreement for development, license, manufacturing, supply and sales of 7 complex generic pharmaceutical products with Bionpharma Inc., a generic pharmaceutical company based in USA.
- 5 Corporate Debt Restructuring: During financial year 2014-15, the Company was sanctioned a Corporate Debt Restructuring ("CDR") scheme under the CDR mechanism of the Reserve Bank of India ("RBI") after attaining super-majority from its lender banks. The debt obligations, including interest thereon, have been measured, classified and disclosed in these financial statements in accordance with the Master Restructuring Agreement (MRA) as per CDR scheme, to the extent agreed with the banks. Completion of certain other terms and conditions are in progress and the management is confident that it will be able to comply with all key conditions of the CDR scheme.
- 6 With respect to the observations of the auditors in their report on the above results:
  - (a) During the financial year 2007-08, the Company had given an advance of Rs. 1,768 lakh pursuant to the agreement with Ilyas & Mustafa Galadari Management Investment & Development (L.L.C.), U.A.E. ("Developer") for purchase of certain immovable properties in Dubai. The Developer failed to deliver the said properties to the Company and offered other properties under construction in lieu of the said properties. Owing to continuous delays in completion of construction, the Company has initiated legal recourse and issued a legal notice to the Developer. In view of on-going discussions with the Developer and on the basis of the legal advice obtained, the Company believes that it has valid rights to claim the recovery of the advance paid to the Developer, in the form of either a refund or other properties. The Company believes that the advance given to the Developer is fully realisable as the market value of the properties under discussion is more than the advance given under the original agreement. Accordingly, no adjustments are considered necessary in the books of accounts.

*Rajin*

*Sanjay*

- (b) During the financial year 2015-16, State Bank of Travancore ("SBT") and State Bank of Mysore ("SBM") had absolutely assigned all the rights, title and interests in financial assistances granted to the Company, with all the underlying rights, benefits and obligations in favor of Edelweiss Asset Reconstruction Company Limited ("EARC"). EARC restructured the SBT loan during the financial year 2015-16 and also provided 'in principle' approval for restructuring the SBM loan during the financial year 2016-17, which was acted upon by both parties. Pursuant to the said restructuring of the SBM loan, the Company has recorded Rs. 755 Lakh as an exceptional item, being the difference between the original loan amount and the restructured amount. Further, during financial year 2016-17, the Company has paid all its principal instalments and interests with respect to the said restructured loans on time except for the installment due in March 2017 that was delayed due to reasons beyond the Company's control. The aforesaid installment was subsequently paid in April 2017 alongwith necessary default interest. However, in April 2017, EARC has sought to revoke the restructuring of the loans assigned to it by SBT and SBM and has claimed to reinstate the dues as per the original outstanding to SBT and SBM. The Company has discussed the matter with EARC as well as made petitions with the CDR Empowered Group ("CDR EG") that the revocation sought by EARC is unjustified and is not in consonance with the CDR guidelines. The matter is currently under consideration at CDR EG. Further, the EARC had informed the total outstanding loan of Rs. 19,694 Lakh as on March 31, 2017, which in Company's view is inaccurate and misleading and therefore has been disputed by the Company. As per the Company, the outstanding amount of such loans as on March 31, 2017 is Rs. 12,272 Lakh including accrued interest thereon. Based on the management's internal evaluation, legal advice obtained and discussions in the meetings with CDR EG held on May 25, 2017 and August 31, 2017, the Company believes that outcome of the matter will be in Company's favour and accordingly no adjustments are considered necessary in the books of accounts.
- (c) In view of absence of profits during financial years 2013-14 and 2012-13, total remuneration paid to the Managing/Joint Managing and Whole time Directors had exceeded the ceiling prescribed in Section II of Part II of Schedule XIII to the Companies Act, 1956 by Rs. 291 lakh for the said years. Further, because of non-compliance to one of the conditions of part II Section II of Schedule V to the Companies Act, 2013, the remuneration amounting to Rs 26 lakh paid to a whole time director during the year ended March 31, 2016 and remuneration amounting to Rs. 430 lakh paid to six directors (Managing/Joint Managing and Whole time Directors) during the year ended March 31, 2017 required approval of the Central Government and the Company had filed the necessary applications in this regard. However, the Company's applications for approval of the aforesaid excess remuneration have not been approved by the Central Government and consequently the Company is required to recover the excess amount thus paid for the said years unless the recovery thereof is waived by the Central Government. The Company has also paid managerial remuneration amounting to Rs 80 lakh during the quarter ended June 30, 2017 for which the Company required prior approval of the Central Government. For a thorough reconsideration of the matter, the Company has preferred to submit new applications to the Central Government for waiver of recovery of excess remuneration paid in respect of aforesaid periods and is also in the process of completing the related procedural formalities. Pending the decision of the Central Government, the Company has recorded an amount of Rs. 827 lakh as recoverable from such directors towards such excess remuneration paid. Based on Management's assessment and legal advice obtained, the Company is confident of a favorable outcome for its applications.
- (d) For the quarter ended June 30, 2017, the Company has incurred a loss of Rs. 4,799 lakh (corresponding quarter of previous year loss of Rs. 2,049 lakh). The continuous losses have adversely affected the cash flows of the Company. These conditions, read with note 5 and 6(b) above, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. The Company has undertaken several measures to mitigate this risk, which include supply to UNICEF/other customers of pentavalent vaccine; initiating supply of oral polio vaccine from Baddi facility, entering into strategic alliances with domestic as well as foreign collaborators for supply of products, launch of innovative new products, scaling up revenues of hexavalent vaccine EasySix™ (DTwP-HepB-Hib-IPV), expediting development of new products and monetization of non-core assets, etc. Based on above measures and continuous efforts to improve the business performance and as explained in note 5 and 6(b) above, the management believes that it would be able to generate sustainable cash flow, recover and recoup the erosion in its net worth through profitable operations, discharge its obligations as they fall due and continue as a going concern.
- 7 During the current quarter, the promoters of the Company viz. Mr. Soshil Kumar Jain, Mr. Ravinder Jain, Dr. Rajesh Jain and Mr. Sandeep Jain have entered into a Memorandum of Acknowledgement of Oral Family Settlement in which it has been agreed, subject to all applicable approvals from appropriate authorities, that its wholly owned subsidiary, Radhika Heights Limited ("RHL") will be demerged from the Company through a Scheme of Arrangement ("Scheme").
- 8 The necessary certificate/report in respect of the above results in terms of requirement of Regulation 33 of the SEBI (Listing Obligations and Other Disclosure Requirements) Regulations, 2015, has been placed before the Board of Directors.
- 9 Previous period amounts have been regrouped/ reclassified in compliance with IndAS to make them comparable with those of current period/year.
- 10 The above results are also available on the Company's website <http://www.panaceabiotec.com>

## Independent Auditor's Review Report on Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

### To the Board of Directors of Panacea Biotech Limited

1. We have reviewed the accompanying statement of unaudited financial results ("Statement") of Panacea Biotech Limited ("the Company") for the quarter ended 30 June 2017, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to the fact that the figures for the corresponding quarter ended 30 June 2016, including the reconciliation of net loss under Ind AS of the corresponding quarter with loss reported under previous GAAP, as included in the Statement have been approved by the Board of Directors but have not been subject to limited review or audit. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SREs) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 and SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016, and other recognised accounting practices and policies has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. We draw attention to the following notes to the Statement:
  - a) Note 6(a) to the Statement regarding capital advances amounting to Rs. 1,768 lakhs given to a real estate developer for acquiring certain immovable properties in Dubai where the Company has initiated legal recourse.

Auditor's Review Report on Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Cont'd)

- b) Note 6(b) to the Statement regarding the revocation of loan restructuring facility by one of the lender of the Company, which may result in reinstatement of the outstanding loan liability as per the original term of the loan agreement after adjusting the payments made till date.
- a) Note 6(c) to the Statement regarding payment of managerial remuneration for the quarter ended 30 June 2017 and financial years ended 31 March 2017, 2016, 2014 and 2013 respectively, which is in excess of the limits specified by the relevant provisions of the Companies Act, 2013 /the Companies Act, 1956 by Rs. 827 lakhs for the said years. The Company's applications to the Central Government seeking approval for payment of such excess remuneration have not been approved and consequently the Company is required to recover the excess amount thus paid for the said years. The Company has recorded an amount of Rs. 827 lakhs as recoverable from the directors towards such excess remuneration paid. Also, the Company is in the process of taking necessary steps/filing necessary applications with the Central Government in this regard.
- b) Note 6(d) to the Statement which indicates that the Company has incurred a net loss (before exceptional items) of Rs. 4,799 lakhs during the quarter ended 30 June 2017 and as of that date, the Company's current liabilities exceeded its current assets by Rs. 22,661 lakhs. These conditions along with other matters as set forth in aforesaid note and (b) above indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.

Pending the ultimate outcome of the aforesaid matters which is presently unascertainable, no adjustments have been made in the books of accounts. Our opinion is not qualified in respect of these matters.
